

## Skip Dean

These photographs are inspired from various artists that have influenced my photography over the past years. There are various reasons for their influence on my work, many deal with colour, composition, textures, design.

These artist encouraged me to explore and search for my own voice, as a creative image-maker.

Homage – Edward Hopper

Homage – John Stewart

Homage – Anselm Kiefer

Homage – Barnett Newman

Tri-colour over gum and silver gelatin prints.

\$975.00 unframed – \$1,175.00 framed
